About us

During 2015, Dirk re-evaluated his staff establishment and appointed strong, confident, competent and willing individuals, in order to assist him to increase business potential and growth opportunities he experienced over the past few years. These appointments were also made to increase the efficiency and quality of Sebete Transport's service delivery.

The competent individuals form part of the day to day business activities and is mainly focused on running all transport financial operations.

Sebete Transport is a Closed Corporation, with only one member and no other associated entities.
